STAKE PROGRAM APPLICATION - OWNER MAINTAINED GARDEN BEDS

Sometimes owners prefer to take care of their own garden beds. This program is called the stake program. A simple wooden stake supplied by Para Space will be placed in your garden so that they can be easily identified by all Para Space employees.

AGREEMENT

Participation in this program means that you, the owner, are responsible for 100% of your garden bed maintenance which may include any of the following items:

- Garden bed weeding and cultivating
- Planting and maintaining owner purchased bedding plants
- Maintaining owner purchased garden pots

The contractor will NOT do partial garden bed maintenance. If an owner chooses to participate in the stake program the contractor is then only responsible for lawn cutting as well as the maintenance and/or pruning to the original and common shrubs, trees and hedges.

It should be noted that Para Space reserves the right to prune, cut back or trim any tree, shrub or hedge and provide any other services outlined in the maintenance contract for stake programs members as for any other strata member.

ACKNOWLEDGEMENT

I acknowledge that I am solely responsible for the related costs of maintaining my own garden beds. In the event, the maintenance for my garden area is not satisfactorily done to the standards of Para Space, strata reserves the right to dispatch Para Space to service the area to the proper standards and charge back all related costs you myself.
